## WHY CHOOSE TUSCAN WINE TOUR?

Because wine has been part of our tradition since the time of the Etruscans who used it to celebrate festivals and honour their dead

At the time of Etruscan civilization, vines were trained to grow up trees and wine was exported from the Tyrrhenian Sea south to Sicily and north to southern Wales.

'TUSCAN WINE TOUR' is an itinerary intended to re-discover our tradition in a land where WINE-MAKING has become an ART recognized around the world
